**The 7<sup>th</sup> International Conference of The Textile  
Research Division, NRC  
Cairo, Egypt, October 10-12, 2010**

The Textile Research Division (TRD) of the National Research Centre (NRC), Cairo, Egypt, organizes its 7<sup>th</sup> Annual International Conference on October 10-12, 2010 at the NRC. The conference is multidisciplinary, with participations of leading International Scientists from Textile R & D Institutions, top level local Industrial Managers, Industrialists as well as Business Representatives. The conference provides a unique forum to promote the creativity in science and technology of textile materials. This event will focus on discussing the latest innovative trends and technological advancements in textile processing along with their impacts on textile products obtained therefrom, within the economy and environment dimensions.

**CONFERENCE THEME**

The conference is pertained to introduce and discuss technological achievements and innovations brought about through R&D activities. Special emphasis is placed on the impacts of these attributes on “Technical and Functional Textiles” and “Textiles of Added Value”. The conference will provide plenary lectures, oral and poster presentations. Technical and commercial exhibitions will also be exercised. Delegates are invited to participate with papers in the following topics:

- |                              |                                      |
|------------------------------|--------------------------------------|
| 1-Spinning and Weaving       | 11- Nanotechnology in Textiles       |
| 2-Wet Processing             | 12- Biotechnology in Textiles        |
| 3-Dyeing and Printing        | 13- ICT in Textiles                  |
| 4-Novel Finishes             | 14- Textile Care                     |
| 5-Textile Quality Testing    | 15- Innovative Auxiliaries           |
| 6-Garment Processing         | 16 - Apparel & Fashion Design        |
| 7-Intelligent Textiles       | 17- Automotive Fabrics               |
| 8-Medical Textiles           | 18- Protective Clothing              |
| 9-Technical Textiles         | 19- Economics and Marketing          |
| 10- Eco-friendly environment | 20- Multidisciplinary Arabic Session |

## CALL FOR ABSTRACTS & FULL PAPERS

### Abstracts

Contributors are kindly requested to submit abstracts (230 words) including the title, authors names, affiliations, mailing address and e-mail along with a brief CV of the presenter. The abstract should be prepared in English as an MS word document, applying font 12 Times New Roman, single spacing and e-mailed to the conference secretariat. Deadline for receiving the abstracts is April 29<sup>th</sup>, 2010.

### Full Papers

The full paper must be submitted to the conference secretariat not later than July 1<sup>st</sup>, 2010 according to the format declared in the website ([www.trdegypt.org](http://www.trdegypt.org)).

### Posters

Poster sessions will be held throughout the conference days. The poster should be prepared according to the instructions declared in the website.
