Allah's Name Clearly Visible Over Africa

Date: Verified in June 3, 2003.

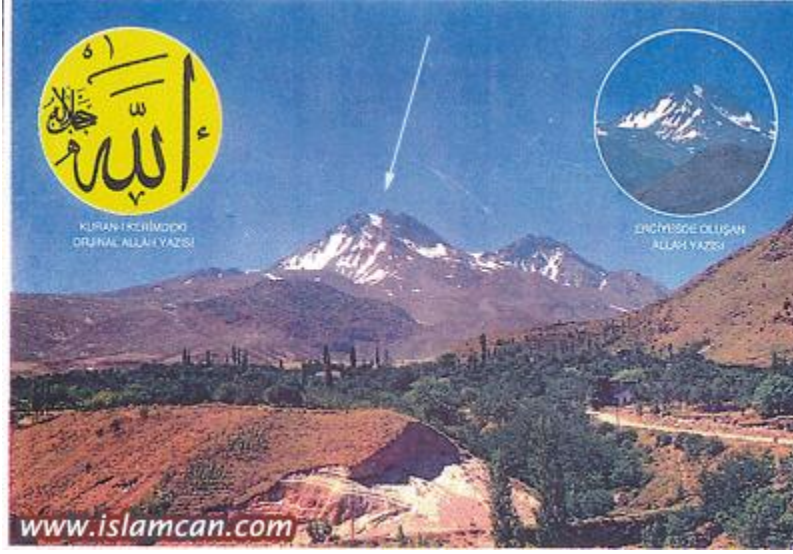

Amazing discovery by Keyhan Mohmand from Almere Stad, Holland. We have verified this image with several other images of Africa from NASA website and all of them (without cloud covers) show the name of Allah clearly. SubhanAllah!

In a forest near Sidney, the bottom half of a tree trunk is bowed in such a way that it resembles a person in a posture of Islamic prayer - the 'Ruku'.

Looking closer we see the 'hands' of the 'tree man' are resting on his knees. The most amazing thing is that the 'tree man' is directly facing the Holy Kaaba in Mecca, which is the direction Muslims face when performing their daily prayers.

Allah's name written by the clouds

Amazing Marks on Your Hands

Look at your hands and identify the outlined marks.

In Arabic, 8 is written as \wedge and 1 is written as $|$. Thus, on your left hand, the marks appear as $\wedge|$ which can be written as 81 in English. On the right hand, the marks appear as $| \wedge$, which can be written as 18. Here is the interesting part, if you were to add 81 and 18, it becomes 99, which is the number of Allah's beautiful names that appear in the Quran. Also, if you subtract 18 from 81, it becomes 63. At the age of 63, Prophet Muhammad (peace be upon him) passed away and the religion of Islam was completed! Amazing, isn't it? It is as if the Kalimah is written on your hands. There is no god but Allah and Muhammad is the messenger of Allah.

Here is the article from BBC News:

Hordes flocking to 'miracle' lamb

Palestinians have been flocking to see a lamb which seems to have a birthmark spelling out the Arabic word for God, "Allah", in its coat.

Owner Yahya Atrash, from the West Bank town of Hebron, told Reuters the animal was born on Monday, when militant leader Sheikh Ahmed Yassin was killed.

He told Reuters the timing was "clear evidence of God's existence".

Sheikh Yassin, spiritual leader of the Hamas militant group, was killed in an Israeli missile strike.

Israel says he was involved in planning suicide attacks.

"This sheep was born in memory of the martyrdom of the great hero Sheikh Ahmed Yassin," the farmer said.

"We hope that the birth of this sheep is a lesson for the living in the same way... the martyrdom is a lesson for us here in Palestine."

Many Palestinians travelled through several Israeli army checkpoints to view the lamb, who some claim also has "Muhammad" written on his other flank, after the Prophet.

Allah's Name Found on Whistler Mountains in British Columbia, Canada

Date: August 17, 2003 Photo Credits: Noor, Rifat, Tanveer, Ihsan and Taslim.

Description: A group of young Muslims from Toronto went to British Columbia in a Dawah trip. Before returning to Toronto, they visited the Whistler mountains which are over 6,000 feet high. From the top, they discovered the name of Allah visible over another mountain. They quickly bought an one time use camera from the gift shop and took these wonderful pictures.

اسم الجلالة على أذن الطفل.

كتب خالد بن هويدي: وضعت سيدة مواطنة طفلها الأول عند الساعة الثانية عشر والنصف ظهر أمس بمستشفى الوصل في دبي، حيث تبين للعائلة ان اسم الجلالة قد ارتسم على أذن المولود اليسرى، فيما اعتبر بأنه حالة نادرة تحدث في الدولة. وأكد والد الطفل خالد علي سالمين بأن ابنه الأول «محمد» قد ولد بحالة جيدة وطبيعية، ولم يلاحظ اسم الجلالة حين نخر إلى طفله لأول مرة، وإنما شاهده الممرض بالمستشفى، إلى أن تأكد بعدها من وجود اسم الجلالة واضحا على الأذن اليسرى للطفل.
