SOCIAL SKILLS

AND COMPETENCES

Living and working with other people, in multicultural environments, in positions where communication is important and situations where teamwork is essential (for example culture and sports), etc.

Team work: I have worked in various teams from University research team to national groups for more than 6 years. During my Undergraduate, I was among the top leaders of Kyambogo Muslim Students' Association and at Islamic University in Uganda, I have worked with my Department to coordinate the foreign students

Intercultural skills: Owing to my time experience of working and staying with both Ugandans and non – Ugandans including Somalis, Nigerians among others. I have related with them and learnt from their cultures

ORGANISATIONAL SKILLS

AND COMPETENCES

Coordination and administration of people, projects and budgets; at work, in voluntary work (for example culture and sports) and at home, etc.

I understand governance and administrative systems. I have the ability to manage and resolve conflicts, decision making capability and I am very sensitive to diversity and multiculturalism.

TECHNICAL SKILLS

AND COMPETENCES

With computers, specific kinds of equipment, machinery, etc.

As a scientist, academician and researcher at higher institution of learning, I am skilled in: undertaking tutorials and Physics practicals, organizing and coordinating field work, guiding and monitoring undergraduate research among others.
